

Costs & Finance

Cost Breakdown

After your smile check assessment, you may book a consultation with a specialist orthodontist, if required. Once the orthodontist has completed a clinical assessment, we can provide you with a treatment plan that outlines the treatment cost.

Treatment cost varies per patient.

You can view our pricing table below for general estimates.

Payment Plan

To help make our treatments more accessible, we also provide flexible payment plans to suit your budget:

Option 1:

Pay in full as you commence your treatment.

Option 2:

Pay 30%, then pay in instalments every 4 weeks.

During your initial consultation, our Treatment Coordinator will help you understand our payment options.
